## From the Pastor's Study

*For God alone my soul waits in silence, for my hope is from him.*

*He alone is my rock and my salvation, my fortress; I shall not be shaken.*

*On God rests my deliverance and my honor; my mighty rock, my refuge is in God.*

*Psalm 62:5-7 (NRSV)*

I was reading the 62nd Psalm and realized that we often ignore what it says about God and about us. I know that, as we think about the future of the church—a future that looks pretty challenging—we think that if we get the right pastor and the right Sunday school leaders and come up with all the right programs, then the church will be saved. But the truth is a little different.

From God alone comes our hope.  
God alone is our rock, our fortress,

and our salvation. So there will be a lot to do in the months and years ahead. But in the end, the church will survive and thrive if God has a place for it. So the task will be to see what God is about, and join in that work.

Whatever pastor a church has, whatever leaders, whatever programs, we have to know that these things will not save the church.

What will save and strengthen the church is for people, inspired by the Holy Spirit, to carry out Christ's ministry of love and mercy, of forgiveness and healing, in the community and in the world.

It has been such an honor to serve you and this church these past 21 years. But we have high hopes for the future, because we know who you are.

Blessings,  
Brian Jones

## Wanted !!

### Ushers and Greeters

Now that Church services are back to normal for the most part, we are in need of greeters and ushers for services. Greeters are for one week, and ushers are usually scheduled for a month at a time. It is not mandatory that you be there every Sunday, but if you are not available each Sunday of the month, please let the secretary know so we can find a replacement if you can't find one. These are very important ministries in our Church, so please volunteer or say "yes" if asked to serve. It is getting more difficult to find these volunteers, and we need people to "step up" for these positions. Thank you!

*After too long of a break, the bell choir looks forward to once again begin practicing and playing in church.*

*We will begin our practices in September (exact date TBD) and play in church during regular worship and for the annual Christmas concert. New members are always welcome, so please let the director or a present ringer know if you are interested. We have a lot of fun and enjoy producing music that helps spread the news of God's love!*

## Sanctuary Choir Report

The choir was delighted last Sunday to sing one last anthem with Tyann and Brian included. Singing as a choir always brings bright and cheerful people together, each voice contributing its own part to the unique sound of the

choir--in this case, for twenty-one years. Every member of this close-knit group will miss them in so very many ways.

We thank them for sharing their musical gifts and pray for them the blessings of singing with the choir at Hope Presbyterian Church in Spicer, MN.

**THANK YOU!**

Thank you for all your support and help over  
the years! We have a successful Christian Edu-  
cation program here because you have all  
made it a priority. You are hard-working disci-  
ples who have made the spiritual formation of  
our congregation a priority. The teachers have  
been phenomenal over the years going above  
and beyond just preparing lessons. They have  
done that and also formed their classes into  
families of faithful people.

Thanks again for your loving support. I can't  
even begin to imagine how much I will miss all  
of you and how much I will miss serving this  
church. May God continue to bless and keep  
you.

**With love and gratitude,**

June 14-17 the Presbyterian Church hosted

## **ROCKY RAILWAY VACATION BIBLE SCHOOL.**

There was an average of 95 kids and crew leaders each day. Forces were once again joined with the following area Miller churches:

Trinity Lutheran  
United Methodist  
St. Ann's Catholic.

Throughout the week the kids discovered Jesus' power can pull them through life's ups and downs. The sights and sounds amongst the kids and helpers were amazing. Kids were taken away on adventures during story time, sang cool Bible songs, played team-building games, and enjoyed a tasty treat each day. Participates were also encouraged this year to bring an offering for the Hand County Library.

Next year, Trinity Lutheran will be hosting. However, we do need a chair person and a co-chair. Please contact Kelly Wagner if you are willing and she will get you set up and ready to hit the floor running.
