Flood Response Checklist

The staff at the Insurance Board wishes to send along our thoughts and prayers to our friends currently struggling with the historic flooding in the Midwest.

Once you have ensured your own safety and have a moment to take stock of the condition of your own homes and church buildings you oversee, we want to be sure that you have a checklist that can walk you through the next steps for during and after the flood.

NOTE FROM THE PRESBYTERY OFFICE: Please report any flooding damage in your area to [Cindy](#) at the POSD office. We may be able to seek out some assistance.
